Terms and conditions "Bring a Friend"

Students and applicants with an existing DIU study contract who refer other students will receive a credit note in the amount of one month's tuition fee of the referring person's study program.

The payment will be made to the referring person, provided that the referred person has signed the contract for a Master's or Bachelor's degree program starting in the summer or winter semester 2026 and the objection period has expired. Furthermore, the referring person must not be in arrears with payments to DIU. Participation in the "Bring a Friend" campaign is registered by sending an e-mail to studyadvisory@di-uni.de in which the participant states who they have referred. The recruited person must state in their application who referred them.
